This plan provides you with five readings for each week. The goal is not to get through a lot of the Bible, but for the Bible to get into you. Go slowly. Meditate. Use the following questions to help you think more deeply about the passage:

How does the person and work of Jesus shape this passage?
 Is there an example to follow or a command to obey?
 Is there sin to confess or a promise to trust?

What do I learn that causes me to worship God?
 Is there a particular verse or theme that the Lord is speaking to me from this passage?
