

Pastor Recommended Reading List

Updated Spring 2021

After being requested on a few occasions to create a recommended reading list, I hope this serves those who are interested. Under each major category, I offer suggestions in three tiers—beginner, intermediate, and advanced.

A beginner book is usually under 200 pages, reads easily for those in high school or beyond, and serves as an important introduction to the theme.

An intermediate book is anywhere from 150-350 pages, goes into greater depth than a beginner book, and is usually a more difficult read because of vocabulary, developed reasoning/thoughts, etc.

An advanced book has no maximum page length and is suited for those with a good foundation in basic Christian beliefs, the Bible, and some knowledge of literature, culture, and the arts.
